## OUR TABLESIDE SERVICE PROMISE

Our Promise to You...

1. WE WILL ONLY allow a staff member to begin their workday, once they have had their temperature taken and have answered a series of health-related questions.
2. WE WILL ALWAYS wash or sanitize our hands just prior to approaching your table.
3. WE WILL ALWAYS clean and disinfect the bathrooms every hour.
4. WE WILL ALWAYS disinfect tables, chairs and other items on the table prior to your being seated.

What We Ask from You...

1. Please do not visit Orzo if you are experiencing any symptoms of COVID-19 or have been in contact with anyone exhibiting symptoms.
2. Please arrive on time for your reservation. We want to make sure we don't create unnecessary groups of people waiting outside the restaurant.
3. Masks MUST be worn to enter Orzo, and at all times when not seated at your designated table. If you arrive to Orzo without a mask, one will be provided to you for a small fee.
4. Please do not arrive with additional guests without notifying the restaurant in advance.
5. When approaching the front door and host stand, please allow 6 feet of distance between yourself and the party in front of you who are next in line to be seated.
6. Please use the hand sanitizer provided at your table as much as you like.
7. Please be aware that all reservations have been allocated 2 hours for dining so that we will have enough time to clean, sanitize and reset for the next seating.
8. Please make sure that all members of your party are familiar with these policies. Please do not make a reservation to dine with us if you or any members of your party are uncomfortable with our protocols.
